

REMARKS

The above amendatory action to the claims has been made to delete improper double dependencies from the claims, to eliminate multiple dependencies and to make changes of a grammatical and clerical nature.

The specification has been amended to direct entry of the Sequence Listing. In compliance with the requirements in the Notification mailed August 19, 2005, Applicants submit herewith a computer readable form copy and a paper copy of the Sequence Listing along with the requisite statements that the computer readable form copy and the paper copy of the Sequence Listing are the same and contain no new matter. Applicants respectfully submit that they are now in compliance with all of the requirements of 37 CFR 1.821-1.825.

Applicants respectfully request that the above amendatory action be taken prior to an examination on the merits of this application.

Respectfully submitted,
